To get our club started in the exciting sport of scent work we will be offering sniff-n-goes at various locations over the next several months. We look forward to having you join us for all the dog fun! PLEASE BRING PROOF OF RABIES VACCINATION OF YOUR DOG, even if you are a member. A photo of the certificate on your phone that is easy to read works too.

What is a sniff-n-go? A sniff-n-go is basically a run-thru for scent work. A search area will be set up with one to two hides. We will one or more of the following elements for our initial sniff-n-goes: Handler Discrimination, Containers, Interior and Exterior (as weather allows).

You may stop by anytime during the above time block, **BUT LAST DOG SHOULD BE CHECKED-IN BY 7:15.** Dogs will be run in the order checked-in. Please leave your dog(s) in your car while you get checked-in and await your turn.

It is \$5 per run (search area) per dog. We will have at least 2 search areas available. At least one will be novice level, the 2<sup>nd</sup> may be novice or an advanced search (the level following novice).

Please plan to follow any Covid-19 procedures based on the requirements of the facility and masks are always required at TVKC events. We are fortunate to have a few locations available to us at this time.

Weather cancellations – please check the weather before coming out. IF the temperature at the Airport Airport (458-3745 then 1113) at Noon on the day of the event is -30F or colder, the Snif-n-go will be cancelled.
