Fairbanks , Alaska
August 6,7,8 2021

Desiree is a lifelong athlete who is no stranger to the field of teaching and coaching. It is her passion and what she has done all of her adult life. She has her Teaching and Coaching Credentials from the Norwegian School of Sport Sciences, and she also holds a degree from San Diego State University in Athletic Training/Sports Medicine.

Desiree runs her own training company, Pace Agility. She gives agility seminars around the country and abroad and offers remote coaching as part of her business. She also works as an instructor/coach at Argus Ranch Dog Sports and Training Center in Auburn, WA.

Desiree has had the enjoyment of working with a huge variety of breeds, from Terriers, Malamutes and Bloodhounds to Border Collies and Shelties...She currently shares 4 dogs with her spouse; Daim, Pace, Cru and the youngest at 3 years of age, Peak. All Border Collies. Her start in agility was in 2004 when she trained her first dogs; 2 Siberian Huskies T'ai and Chi. They both ran agility for 8 years and were quite successful.

Desiree loves her chosen profession and enjoys seeing the light go on for both the humans and the dogs. She believes that a great handler-dog relationship along with good communication and a strong positive reinforcement history are big parts in setting a solid foundation for the team.

When Desiree is not teaching or competing, you can find her and her dogs hiking and exploring the magnificent area surrounding Mt. Rainier in the State of Washington.
