The exception to this requirement is a dog entered in the 24" or 26" height division. **Simplified Jump Height Card Process:**

When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether the dog has a valid jump height card or if the dog needs to be measured. **Please check the appropriate box so that the Trial Secretary knows whether to include the dog entered on the Dogs To Be Measured List.** It is no longer required that a copy of a dog's jump height card be submitted with an entry form or show it at check-in; although exhibitors are required to have the official form/card with them at the trial to present upon request.

On each trial day after 6am you can check in via the **Agility Gate App**. Instructions and pass code are sent out with the final entry confirmations. If you need to move a dog, click "conflict" and contact the gate steward before the briefing and walk thru. After the run order is posted on the App, the Gate Steward is the **ONLY** person to move dogs. All moves must be within AKC rules and with permission of the judge. The TV displaying the current run order and dogs in queue will be displayed near the rings. The Gate Steward will be at a table near the rings and please respect the space around the steward's station. The only time you may need to approach is if you can't access the App or need to move a dog.

Maps will not be emailed instead available via the Agility Gate App after 6am. Maps will be posted. If you need a printed map, please contact the trial secretary so we don't have to continue to waste paper and ink.

It takes lots of workers each putting in a little bit of time to make a successful trial. Please sign up to work with the volunteer coordinators, Karen and Jimmie Ricks in advance via email karicks@hotmail.com or TVKC Facebook page or on the sign-up board when you arrive! Thanks in advance for your help.

NOTICE TO EXHIBITORS

We would like this event to be a pleasant experience for all in attendance. We ask your cooperation, please, in the following areas: This trial will be held under AKC rules and regulations for agility trials.

Exhibitors are expected to be familiar with these rules and regulations.

At the handler's option, dogs may run a course with or without a collar. The only collars allowed when running a course are flat buckle or rolled leather collars, but there shall be no attachments hanging or otherwise allowed on the collar. This shall not preclude painted or stitched designs or information on the collar. Dog's names and/or identifying information may appear on the collar.

Participants who leave dogs, equipment and personal belongings unattended, do so at their own risk. The show giving club(s) and the owner(s) of the site will not be responsible for dogs, equipment or personal belongings, nor for the loss of, damage to, or death of any dog, whether the result of accident or any other cause.

All dogs must be kept on leash, in crates or in vehicles at all times except when competing.

Participants will be responsible for clean conditions (**including picking up after the dogs in their care**) around crates, tents and parking spaces.

Dogs must be physically sound. Dogs that are blind shall not be eligible. No dog shall compete if it is taped or bandaged or in any way has anything attached to it for medical purposes.

Bitches in season shall not be eligible to participate, notify the trial secretary and the club will refund of entry fees only in this case.

Entry fee will not be refunded in the event that a dog is absent, disqualified, excused by the judge or veterinarian, or barred from competition by action of the Trial Committee.

No entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an Act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the club.

Dogs must be ready to compete. The judge need not wait for any dog that is not ready to compete when it is called by the gate steward. The judge will take a lunch break at a convenient time.

Participants shall be governed by any rules and regulations of civil authorities and/or location restrictions. Please obey all posted signs. Parents or guardians are responsible for children who must be kept under supervision of an adult at all times.

Vehicles will be allowed to park in designated areas only. Vehicles parked in undesignated areas will be towed immediately at the owner's expense. Vehicles parked overnight MUST PAY the camping fees. All rights to televise, videotape, advertise, photograph, promote or otherwise exploit these events are vested in the Club or in persons to whom assignments of such rights have been made in writing by the Club. All persons & animals on the show grounds at any time while the shows are in progress do, by attending these shows or participating therein, hereby grant to the Club the right to photograph, televise, videotape or otherwise use their likeness & voice in any manner without further release or consent. Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

CLASS DESCRIPTIONS

A complete set of rules and current full class descriptions are available on the AKC website (www.akc.org) or by request from the American Kennel Club, 5580 Centerview Drive, Suite 200, Raleigh, NC 27606.

Dogs may be entered in any height division they are eligible for but may only enter each class offered once per day. If a dog is entered in different jump heights the owner must submit separate entry forms, one for each height.

The following jump height divisions shall be used in all trial Regular classes:

8 Inches: For dogs 11 inches and under at the withers.

12 inches: For dogs 14 inches and under at the withers.

16 Inches: For dogs 18 inches and under at the withers.

20 Inches: For dogs 22 inches and under at the withers.

24 Inches: For dogs over 22 inches at the withers

24 Inch Choice: Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers.

The owner may choose to enter their dog in Preferred classes and Regular classes at the same trial. A dog may only be entered once in each class offered. They may not enter a class in both Preferred and Regular.

If a dog is entered in Preferred and Regular classes the owner must submit two separate entry forms, one for Regular classes and one for Preferred classes. After the close

of entry for a trial a dog may not be moved between Regular and Preferred classes except as noted in Chapter 1, Section 21.

Entering “For Exhibition Only” (FEO)

If allowed by AKC, FEO will be offered in the Time 2 Beat class and is non-qualifying.

- The exhibitor must enter T2B prior to the closing date, pay class entry fee(s) but does not need to be noted on the entry form; the handler will declare the day of the show to the Gate Steward.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out.
- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler’s hand
 - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time – Time is course time – not max course time.

Fix and Go On (FNG)

If allowed by AKC, Fix and Go On will be for all classes. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog’s performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

International Sweepstakes Class ISC

Purpose: The International Sweepstakes Class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in

Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (<http://www.akc.org>).

Eligibility: These classes are open to **ANY LEVEL** dog registered with AKC. **There is no Preferred Option for ISC; dogs may enter at their preferred jump height; however, they will be scored against the regular division dogs jumping the same jump height.**

Jump Heights: Dogs **may** be entered in their regular jump heights, however, only those dogs running in the 12" & 16" class that meet the FCI/ISC measuring cutoff (different than regular AKC cutoffs) or any dog entering the 24" jump height may use their clean run toward the required qualification toward entering WTT or EOTT. Please note: This year only, for 24" jump height dogs, half of their WTT tryout qualifications is allowed to come from the 20" height. Please see the 2021 AWC Tryout Rules for further details.

The FCI/ISC cutoffs for those heights are as follows:

- Small (12" jump height) - for dogs measuring 13 3/4" or less at the withers
-Medium (16" jump height) - for dogs measuring more than 13 3/4" but less than 16 7/8" at the withers

-Large (24" jump height) - for dogs measuring over 16 7/8" at the withers

Qualifications: "Clean run" scores from ISC Classes at 12", 16", and 24" (20" for half of the required qualifications for WTT) may be used to fulfill the minimum requirements for WTT/EOTT. A "clean run" consists of a run without time or course faults. Minimum YPS requirements are waived for these scores, as long as the dog is under the course time set by the judge for that class.

This is not a Regional World Team Qualifying event. There will NOT be an automatic invite of the combined winners to WTT.

Basic differences in scoring: You are not eliminated for a dropped bar or refusal but you are added 5 points to your time for each bar or refusal. Only a wrong course is an elimination and the judge stops judging but you may finish the course. For more information see Regulations for Agility trials and Agility course tests section Chapter 14.
