Dogs must have prior title to compete in upper-level classes.

*Dogs may be entered in only one **CLASS** (a difficulty level w/in that element), i.e. can enter Nov. and Adv. Int. but not Nov. Int. twice. A handler can't run more than one dog in a Class except Handler Discrimination. The dogs must run **in all four elements** at the same level in a trial to be eligible for High in Trial on Friday or Saturday.*

WAIT LIST INFORMATION

TVKC is offering a wait list to fill openings created by withdrawn entries after the trial's closing date/time. A maximum of **20 entries per day** will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to 5pm April 14th. No entries may be withdrawn with a refund after closing. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial will receive a full refund.

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of view of search area(s). Staging area will include warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

The **Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. **NO DOGS** are to be present during the Handler's Briefing.

A **warm-up area** the club shall designate a warm-up area. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers.

SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class. **Search Area Conditions.** Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

Search Area Sizes will be as required in the *Regulations for AKC Scent Work*.

ADDITIONAL SITE INFORMATION

Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide.

Indoor crating space will not be available. The TVKC and the venues will not be responsible for any lost or damaged items left at the show site.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.
