DIRECTIONS TO THE TRIAL SITES

Directions to the Pawsitive Dog Training 3304 International Street:

From Airport Way, turn north on Peger Road, turn left on the Mitchell Expressway, Right on Lathrop Steet 0.1mi, turn right on the 1st cross street 30th Ave 0.2mi, Left on International Street, 0.3mi to Pawsitive Dog Training on your right. Additional searches on Saturday may be held at Patrick Mechanical across the street.

NOTICES TO EXHIBITORS: Please read carefully!

Check-in with Agility gate and you will find armband stickers inside. Potty areas for the dogs will be away from the buildings and indicated with signs. Please do not allow boy dogs to pee on buildings or fences. Therefore, along with AKC regulations, it is critical to keep your dog leashed at all times and clean up after your dog.

Elements at the same level are run concurrently. If you are entered in both elements running concurrently you will go directly from one to the next (i.e. Novice containers to Novice buried). When you enter the search start area, confirm with the judge your NUMBER and dog's name so she has the correct score sheet.

We will be using the free Agility Gate App to check dogs in and to show the live changes in run order on your smart phone as the classes proceed. If you don't have a smart phone, check in with Gate Steward by the "In Person" check in deadline, 15 minutes prior to the judges briefing/ walk through. **CHECK for the MORNING ONLY if you might complete a title and want to move up for the afternoon.**

Download Agility Gate on your iPhone or Android device
http://dogagility.info/agility_gate

Go to the URL above on your phone, or open your phone's camera and point it at the ~~img~~ above. Your phone should then prompt you if you want to visit the website. Instructions for using the app can be found on the website

If prompted for a trial code in the app: **8852**

Check yourself in using the app by swiping your dog's name and selecting "check-in". If you have a conflict swipe and select conflict and see the gate steward before the briefing. Take care not to check in someone else's dog. The run orders will usually be loaded into the app the night before but you will not be able to check in until 6am. The gate steward will be inside the building with an iPad. On your phone a black line will be drawn through the next dog to be judged. You can also see these updates on the app on your phone. Line up outside the start line area when the 4th dog ahead of you is crossed off the list. Dogs go generally from one to the other (i.e. Novice containers to Novice Buried) so watch the first class unless you are only in the second class.

All classes will run twice each day with Containers and Buried concurrently on Friday, Interior and Exterior on Saturday and Handler Discrimination and Detective on Sunday. Breaks will be taken at the discretion of the judges. Before or after you run your dog, please volunteer, it will be good learning opportunity to observe – contact the volunteer coordinators Kayla at kaylatrickey@gmail.com or Vicki Naslund at naslund.alaska@gmail.com to volunteer and you will be assigned a job when you arrive.

There will be no potluck lunch however there will be snacks for those who volunteer to help steward or set up/pack up. The results will be posted in a binder and awards will be given for the morning and afternoon after the Novice and upper classes are completed, respectively.

If you plan to pull your dog for any reason, please advise the Trial Secretary (text or call 907-322-2384) as soon as you make that decision. There isn't a wait list but it will help for coordinating the run orders. **If your dog completes a title on in the morning and you want to move up for afternoon, you must do so within 30 minutes of completion of the morning's trial judging/results posting. See the Trial Secretary for a form.**

COVID is making the rounds again, so if you are ill, please take a COVID test and don't come if you are positive. Masks are at the discretion of the judges. Maintain 6 feet social distancing as much as possible. An inherent risk of exposure to communicable diseases exists in any public place. Communicable diseases can be extremely contagious and/or lead to severe illness and death. Event attendees voluntarily assume all risks related to exposure to communicable diseases. By attending these events, you voluntarily assume all risks related to exposure to COVID-19 and any communicable disease related to humans and canines.

Please join us for a 4 hour seminar on Sunday at 2 pm or after completion of the trial.

RUN ORDER OF ELEMENTS AND LEVELS- Read CAREFULLY!

We will be running two trials per day and two Elements **CONCURRENTLY** and running Novice, then Advanced, then Excellent and then Masters. So on Friday Containers and Buried will run concurrently, so if you are entered at the same level in both, you'll go directly from one to the other. On Saturday, Interiors and Exterior searches will be run concurrently. Both days after a lunch break and at the judge's discretion, we'll do the second trial. On Sunday, HD trial #1 and #2 will run concurrently, meaning you will go directly from HD at your level to the second judging location.
