Hi TVKC members: the annual 3-phase tracking tests are about 10 days away, and this year we will have a very full test. There are a few areas that I need help covering, and would really appreciate any help I can get.

Host home for 1 judge: Janet Brown is hosting 1 judge, and I'd like to give Polly a break since she had 3 people staying with her last year (2 for quite a while) while the school year was starting up. TVKC will reimburse expenses, and someone will drive the judges around, so all you need to do is provide a bed and shower. They are laid-back and fun to talk to, both women.

Crosstrack layer for TDX: would need to be present Thurs. Aug 23rd while the tracks are being plotted, and on Sat Aug 25th for the test. Easy job, involves a little walking, but you will be out in the weather all day. Donna W is our other crosstrack layer.

Track layer for the TD: we have 11 TD entries, and will need to put in 12 tracks. Diane Fish is Chair for this, and has 3-4 tracklayers but could use 1-2 more. Even laying 1 track will help.

Please Email me at kelly.dygert@fhr.com (work), or call 488-8314 (home) or 322-8150 (cell) or Diane at 322-4009 if you'd like to volunteer. We have goodies for the helpers, plus you learn a lot about how tracking tests are run.
