Recipe of the Month

Want some different ideas for bait for those hungry hounds? Check here each month to keep them interested in what you have to offer!

Turkey Log Recipe

1 ½ -2 lb ground turkey

3 cups rolled oats

1-2 eggs

garlic salt or garlic powder

Any supplements (kelp, vit C, B 12)

Combine all ingredients, like meatloaf. Shape into log shapes and bake at 350 degrees for about 15-20 minutes. These treats are great to take on the road as a breakfast bar for pups before a show. They also freeze great!

Did you know??

Slice your bait hotdogs into thin discs, then microwave for 1 minute on a paper towel. The result? Petrified hotdogs that are crisp and different, and easier to mouth if you hate hotdogs!!!!

JUST FOR JUNIORS

Do Dogs cry?

Dogs have lachrymal (tear) glands, which make tears that wash their eyes. Sometimes they get clogged and back up under the eye, which looks like the dog is crying! Dogs show they are sad by their body language, tail between legs, head down, and

*they can miss other dogs in their pack, including
you!*

*The quietest dog ever is the Basenji, they don't bark
but they do yodel! Which is worse?*
