## Winter 2019-2020 Newsletter

### **Note from the President:**

Merry Christmas and Happy New Year to All! As we approach 2020 I feel like it's a good time to both reflect and look forward. To note what all we've accomplished, and ponder what more we might do in the coming year.

Thinking back to my first year as a TVKC member, it has felt much like a whirlwind to me, first meeting everyone, then jumping into committee work, and onto the Board, then being elected President – all in just 10 short months. In that time we've accomplished so much more than meets the eye, certainly more than I ever thought this club managed in a year. The May show is enormous in and of itself, five agility trials (plus training groups), a major Tracking Trial (plus associated classes). All that plus the normal operation of the club: elections, internal audits, budgets, and myriad other items to keep the club running smoothly.

We have seen our members do well nationwide, and honored two of our junior members (look for articles on them further down!) So many volunteers, so many fun

achievements, and a barking good time all around.

Looking ahead, we will, of course, maintain all the shows and trials that made 2019 so successful. We will also be looking at adding some additional sports to our growing repertoire. Scent Work is in the wind thanks to the enthusiasm of several of our members, and our Junior Program is being examined to see how we can grow and better serve that segment of our membership. You will be hearing more about both of those areas in the coming months.

As far as the Board goes, I feel like those of us who are new are getting a really good handle on our responsibilities and gaining confidence in our positions. A big thank you to Mary Ann Robinson for being willing to fill the seat vacated by Candace O'Connor, 2<sup>nd</sup> Vice President in charge of Membership. Candace will be sorely missed, but Mary Ann is most welcome and we are glad to have her in the interim. She will serve as a non-voting board member until her appointment can be ratified at the next membership meeting - March 4, 2020.

Note from the President (Cont'd)

February 22, 2020 the board will be participating in a retreat (which just means very long meeting.

We will be reviewing best practices for boards and doing some planning exercises to determine our strengths and opportunities as compared to our challenges. More on that in coming e-mails, but for now please note the date, and if you have any ideas or discussion items you would like the board to consider, please let me know no later than Feb 10th. The best way to reach me is via text 907-253-5475 or Facebook messenger: Leslie Johnson Lewis

## 2020

I have no doubt that 2020 will be a “pawsome” year for TVKC! Because we are growing and want to continue to grow, I will be asking each of you to ponder the areas of most interest to you, and to begin considering where you can best contribute, especially how you might help out with events you are not competing in.

As I mentioned at a previous meeting, one of my major goals for the coming year is to start and maintain an inventory of how our members are willing and able to pitch in. Like most organizations, we seem to fall into the 80/20 rule ... 80% of the work is being done by 20% of the members. I understand that not everyone has the time to, say, chair a committee; but I’m sure there is more that most of us can contribute to take the pressure off the ones pulling the majority of the load.

To those who are already stepping up to help, High Five; and to those who have been doing lots for a long time – Thank You, Thank You! I have every confidence that we can beat the 80/20 norm and grow into a truly active membership!

As always, I welcome your comments and suggestions! You can email or private message me on Facebook any time! Here’s to 2020!! Cheers!

## Feliz NaviDog! TVKC Christmas Party

The 2019 TVKC Christmas party was great fun! We were a smaller group than last year, but everyone had a good time. We played doggy bingo, had a large silent auction, presented awards, and pawsitively gorged ourselves on homemade Mexican deliciousness. So much yum!

Many thanks to Lori Kunz and Linda Bode for organizing the party and cooking, the rest of the board and other members for helping with set up and cleanup, Vicki and her husband for coordinating the silent auction, Sue A. for rounding up trophy sponsorships for the May show, Karen and Jimmie Ricks for putting together the honor roll presentation, and Stuart for handling credit card payments (Yay!) and for Jimmie and Stuart taking the pictures seen here. If I've accidentally left anyone out, please know that you are all much appreciated!!

It was my pleasure as President, to honor our junior member Molly Wilson for her many years as a junior handler. Wendy Uzzell coordinated the presentation of an appreciation award highlighting Molly's dedication to the club, not only as a junior handler, but also as a stellar example of service and volunteerism throughout her junior membership. As Molly moves into adult status, it will be a pleasure to continue having her as one of our strongest TVKC members. Thank you, Molly!

I also had the joy of resurrecting a previous tradition, the President's Award, given to a member arbitrarily chosen by the president for outstanding service to TVKC. Candace O'Connor was this year's honoree for her long-time service to the club and her magnificent attention to detail. Unable to serve on the board, Candace has assured me she will still be around. Thank you, Candace, so much for all you have given, and the support you continue to provide. Your contributions are invaluable.

Overall, it was a great party! Thanks again to all who helped, and I'm already looking forward to next year. Merry Christmas to all - and in the words of Tiny Tim, God bless us, everyone!  
Leslie Johnson Lewis, President

## Recognizing Our Juniors!

Our Juniors have been doing great things. This past year has been very exciting for two young ladies who have achieved very different goals, unique to themselves. Each one has done a wonderful job of representing our club.

Kinze Williams has worked hard in her agility and rally training and

enjoys ongoing mentoring by several club members. Kinze has taken many classes to polish her skills.

Kinze qualified in the top ten Juniors Agility Nationally and was invited to the Eukanuba National Dog Show, where she also competed in Rally.

TVKC hopes Kinze will continue to participate in the Juniors Program as she moves through High School. She is a great representative!

Looking forward to what she will do next! Congratulations Kinze!

Recognizing Our Juniors! (continued

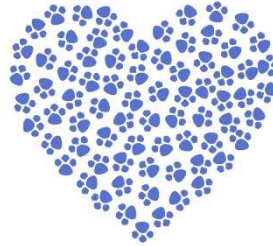

)

Molly Wilson is having a busy year as well. She is a Graduating Senior at West Valley High School and preparing to age out of the AKC Juniors Program in April. Molly was recognized for her contributions to the club at this year's Christmas Party.

Molly began her Juniors Career ten years ago when she showed her first dog in conformation. She has shown several dogs since then with the assistance of members who support Juniors. Molly has taken many classes with TVKC over the years.

Most recently Molly has trained her own dog in Agility while maintaining a very busy schedule in dance, her studies, and mentoring her own peers in school. We are looking forward to seeing Molly for many more years as an adult handler, in whatever sport appeals to her. Congratulations Molly!

## Do you ever ask yourself one of these questions about our Club?

- Why is there so much going on all of the time?
- Where do all these activities come from?
- How come we have to do it this way?

The American Kennel Club is the reason that our TVKC wonderful people can get together and enjoy their dogs and their activities in shows, trials, sanctioned matches, classes, etc.

There are many tasks that the board and volunteers manage which allow ourselves to identify as an American Kennel Club affiliated group.

The Club sponsors many events, and it is a lot of fun to participate in their events. Some of these events must occur to satisfy what is actually a requirement to maintain our good standing with the AKC.

The pages to the side illustrate the Certification of Compliance which presents a variety of activities that must occur for everyone in the club to enjoy the fun! Take a few minutes and see which activities you have participated in that contribute to keeping the AKC satisfied! This check list is one of the many tasks that your board takes care of, so that the fun continues!
